SUMMER SAFETY CHECKLIST

STOP AND LOCK

- Fence the pool and ensure the gate is self-closing and self-latching
 - Check that your fence is up-to-date with no openings, rust or screws loose
 - Ensure all pool toys, chairs, lounges and shrubbery are cleared to stop fence climbing
- 

EDUCATE

- Learn swimming basics and how to get to the pool edge if needed
 - Ensure that kids and those not confident in the water aren't in the pool area without supervision
 - Make sure your CPR chart is in clear view on your pool fence
 - Learn how to perform CPR
 - Remember to call 000 in case of an emergency
- 

SWIM SAFE

- Watch for those in the pool - with no lifeguards, supervision is everyone's responsibility
 - Remain within arms reach of children particularly those under five
-
